Dear Sir:

Your letter of the 28th of October has been referred to this office for attention. I take great pleasure in sending you, under separate cover, a copy of Bulletin #25 (new series), and a copy of Farmers' Bulletin #155, which contain our latest published information on mosquitoes.

Yours very truly,

*L. O. Howard*

Dr. Adolpho Lutz,

Director of the States Bacteriological Institution,

*I am sorry I have no more recent government publications. These are rather out of date. H.*
